Client Information For Tour Reservations

Cancellation Policy: Cancellations made more than 20 days in advance of scheduled tour departure date will receive a full reimbursement less a \$50.00 processing fee. Tour cancellations made within 20 days of the scheduled tour departure date are non-refundable. All tours have the possibility of being canceled due to weather, acts of God or other safety conditions. If this is the case, Logistics is liable only for the funds paid to them.

Reservation Process: After receiving your reservation request via fax (907.276.6061) or email (tours@logisticsllc.com) you will be emailed or called to confirm that your request has been received. Your request for reservation will then begin to be processed. Once your reservation is complete your credit card will be charged or your check deposited. Based on time availability, your tickets and an invoice will be mailed you. You must travel with your Logistics vouchers. If you have signed up for a tour that is based on a "waitlist" your credit card or a check is required to hold your position on the list, this also insures that if the tour does reach the minimum requirement you are committed to traveling on that day with that tour. Your payment, in this case, will not be processed until the tour has met the minimum number of people required to operate. **In order to process your reservation please be sure to fax this page as well as your tour selection page(s). If you are requesting a reservation over the email be sure to include all the information requested below as well as your tour selection.**

Tour Prices: All tour prices include applicable taxes and fees. However, these prices are subject to change. Should the tour price differ from what is advertised we will advise you before finalizing your reservation request.

Customized Itineraries: Logistics LLC has been in the tour business in Alaska for over 14 years and we pride ourselves in offering specific and customized multi-day itineraries. If this is something that you would be interested in please contact us via email (tours@logisticsllc.com) or by phone: 907.276.6060.
